

STANDING SEAM METAL ROOFING

LIFETIME DURABILITY. LIFETIME VALUE.

STANDING SEAM ADVANTAGES

- **Concealed Fasteners**
  All fasteners are concealed, resulting in a roof system that is known to last a lifetime.
- **Clean Timeless Design**
  Pronounced rib design creates a sharp, streamlined appearance that complements virtually any style building.
- **Versatile Options**
  Various panel styles and color options allow you to choose impressive combinations for your project.
