

# TUFF RIB METAL ROOFING

DURABLE AND AFFORDABLE

## TUFF RIB ADVANTAGES

- **Proven**
  Tuff Rib type metal has been a reliable solution since the 1960's for commercial, agricultural and residential buildings.
- **Affordable**
  Highly efficient to manufacture and widely available, Tuff Rib is the most affordable metal roofing option on the market today.
- **Simplicity**
  Tuff Rib can be installed with basic construction knowledge, keeping costs low on an already budget-friendly option.
